

# Prime Minister Sheikh Hasina's Commitment Gender Equality and Women Empowerment

The Father of the Nation Bangabandhu Sheikh Mujibar Rahman started the process of uplifting the women status by establishing equal rights of woman with man in all spheres of the state and of public life as constitutional obligation under Article-28.

The Government of Hon'ble Prime Minister Sheikh Hasina has undertaken various steps to ensure women and children development in Bangladesh. Through her Vision 2021 and 2041 a momentum has been created for taking forward Bangladesh to a middle and high income level respectively.

The 7th Five Year Plan (2016-2020) of the Bangladesh government, considers women's engagement in political and economic activities as a cross-cutting issue and one of the main drivers of transformation.

Honorable Prime Minister Sheikh Hasina received 'Champions of the Earth' Award in 2015

Present government is committed to attaining the Sustainable Development Goal (SDG) of gender equality and empowering women as well as implementing the Convention on the Elimination of All Forms of Discrimination against Women (CEDAW) and the Beijing Platform for Action.

Bangladesh has already substantially achieved the MDG3 as it has achieved gender parity in primary and secondary education at the national level, among other successes of the MDGs.

Bangladesh has been working relentlessly to ensure women's overall development by ensuring their equal and active participation in the mainstream socio-economic activities and removing the various impediments to their empowerment.
